## • Mission

The Cherry+ Network is committed to providing a vibrant and inclusive environment where students can enhance their networking skills, participate in engaging workshops and discussions, and build lasting professional relationships. We aim to empower every student on campus to expand their horizons, develop essential skills, and create opportunities for future success in both technological and corporate fields. Our mission is to be a catalyst for personal and professional growth, enabling our members to thrive in the ever-evolving landscape of networking and professional development, while fostering a sense of community and collaboration among students from diverse backgrounds. Through our diverse range of events, mentorship programs, and industry partnerships, we strive to equip students with the tools and experiences needed to excel in their chosen career paths. By nurturing a culture of continuous learning and innovation, the Cherry+ Network remains dedicated to shaping the leaders and innovators of tomorrow, who will drive positive change in their respective industries and beyond.

With that, let us take a look at our Portfolio of event...

## NeoCodeathon

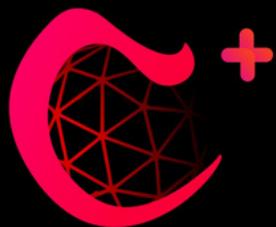

09.11.2022 - 11.11.2022

The NeoCodeathon, a collaborative venture hosted by the School of Computing, I Am Neo, and Cherry+ Network, emerged as a dynamic platform for coding enthusiasts to showcase their skills and foster innovation.

### • Goals and Objectives:

With a focus on challenging participants to navigate through coding obstacles, NeoCodeathon aimed to provide a space where creativity and problem-solving converged. The joint efforts of the School of Computing and Cherry+ Network sought to create an environment that encouraged collaborative learning, pushing participants to explore new technologies and expand their coding capabilities.

## DevOps Essentials Workshop

13.04.2023 - 15.04.2023

In collaboration with the Cherry+ Network, the DevOps workshop was a dynamic learning environment. Volunteers from Cherry+ Network played a crucial role in managing the workshop, where participants dove into DevOps principles like continuous integration, delivery, and automation. Through interactive sessions and hands-on exercises, attendees gained practical experience using tools such as Jenkins, Docker, and Kubernetes to enhance the software development lifecycle. The workshop emphasized collaboration and shared responsibility between development and operations teams, with Cherry+ Network volunteers contributing valuable insights. This joint effort fostered a culture of continuous improvement, equipping professionals with practical skills for effective DevOps implementation. Participants left the workshop with a solid understanding of key concepts, ready to apply them in their roles, thanks to the collaborative synergy between the workshop and Cherry+ Network.

## Orphanage Drive

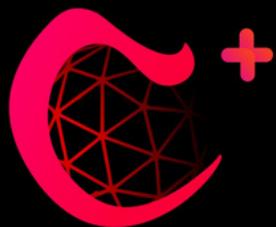

26.02.2023

The Cherry+ Network's Orphanage Drive was an excursion to deliver supplies and gifts for less privileged children and display the club's pledge to community welfare. This formal documentation attests to the club's dedication to fostering meaningful connections, promoting community outreach, and contributing positively to the well-being of those we aim to assist. The reciprocal exchange of gratitude further underscores the success and significance of this charitable endeavor.

- **Objective**

The Cherry+ Network executed a philanthropic initiative with a visit to an orphanage in Chennai, focusing on engaging with children aged 4 to 13 through various interactive and enriching activities.

## Ataraxia

11.09.2023 - 14.09.2023

Cherry+ Network proudly presented Ataraxia, its flagship event held from September 11th to September 14th, 2023, marking a significant milestone in the club's history. The core objective was to recreate the joys and magic of childhood days, offering a diverse range of activities and experiences that resonated with the participants.

### Event Highlights:

- **Creation Carnival:**

Hosted opposite Tech Park, the Creation Carnival provided students with the opportunity to unleash their creativity. A mural set up by the Innovation Domain served as a canvas for students to express themselves through art.

- **Donation Drive:**

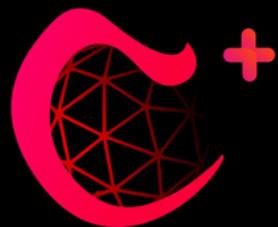

Under the theme "Making generosity a party, one donation at a time," students were encouraged to contribute to the community by donating items of any kind. This event aimed to spread joy and make a positive impact on the lives of the underprivileged.

- **Mini Fair:**

Running throughout the four days, the Mini Fair brought back the magic of childhood with classic games such as ring toss, balloon darts, and bean bag toss. Participants had the chance to win prizes, fostering a sense of fun and camaraderie.

- **Catalan:**

Held on September 13th, Catalan combined the strategic elements of chess with a quiz format. This unique game challenged participants' intellects and added a twist to traditional chess, creating an engaging and thought-provoking experience.

# Cherry+ Network

- **Destiny Warriors:**

On September 14th, Destiny Warriors unfolded as a series of day-long games, including obstacle courses and water balloon tosses. The event aimed to find a single victor after a series of challenging activities inspired by popular shows like "Squid Game."

## APP Archive: Preface

01.03.2024

The Cherry+ Network's App Archives event, an innovative platform dedicated to fostering learning and collaboration in the design community. Our inaugural event, Preface, set a high standard for excellence and engagement, bringing together passionate individuals eager to delve into the world of design.

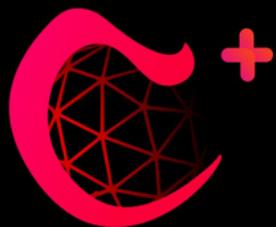

### • Event Overview

“Preface”, the first event of the Cherry+ Network's App Archives, was a resounding success filled with energy, learning, and a shared passion for design. From the warm traditional welcome to the captivating sessions on colour theory, UI/UX concepts, and prototyping, the event was a testament to our commitment to providing valuable insights and resources to our participants.

No. of registrations: 2000

No. of participants: 650

## APP Archive: Foreword

08.03.2024

The Cherry+ Network Club's second event in the App Archives series, "Foreword," a dynamic exploration into the realm of Flutter development. Building on the success of our previous event, Preface, Foreword aimed to equip enthusiasts with the skills and knowledge needed to excel in mobile application creation using Flutter.

### • Event Overview

"Foreword" was a highly anticipated event that brought together passionate individuals eager to delve into Flutter development. Held in Faraday Hall, the day was filled with excitement and learning as participants engaged in hands-on activities, live coding demonstrations, and insightful sessions led by industry experts.
